LONDON—If a plebiscite were held tomorrow in Italy, it's probable that some 60 per cent would vote in favor of retaining the House of Savoy as a constitutional monarchy. Yet, owing to a combination of circumstances, the future prospects of the monarchy don't look very promising just now.

MUCH DEFENDS Of course, on way elections are held and the issue of a republic or a monarchy is submitted to the people. There seem to be three possible methods.

First, to hold a plebiscite on the constitutional issue prior to the election. This course would have the advantage of separating the constitutional issue from other political issues. But as it is a course which would favor retention of the monarchy, it is opposed by the parties of the Left and is unlikely to be adopted.

A second method would be to hold a plebiscite simultaneously with the elections, but separately. In other words, there would be two ballot papers, on one of which the voters would vote for their Parliamentary representatives, and on the other for the monarchy.

Cabinet Prepares For Party Caucus

The cabinet, with Premier Ernest Manning presiding, spent almost all of Monday morning in a session devoted to preparing for the coming caucus, preparing it for the caucus of government members of the Legislature. The cabinet meeting took place in the council chamber at the Legislative Building Tuesday morning.

The caucus promises to last not less than three days.

As far as was known up to Monday's full attendance of ministers and private members is expected to be present. Among the absentees are Fred Anderson, one of the five Calgary members in the Legislature, and W. A. Aulick, minister of public works, who has also been enjoying a short holiday at the coast. It is expected back Monday night in time for Tuesday's opening.

Offensive On Crime Opens Here

Taking the offensive against an incipient crime wave that seems to be moving westward from the east and helping military authorities to round up deserters and those overdue from leave at the same time, RCMP military police and city police staged a huge dragnet over Edmonton Saturday night and caught 125 young Edmontonians in its meshes.

MORE THAN HALF of the 125 were subsequently released after questioning and examination and identification in the basement of the city station house. 50 were detained by military authorities and were mobilization board officials for further examination.

Twenty-five police officers participated in the lightning roundup that saw dance halls, cafes and pool rooms systematically visited.

IT WAS THE LARGEST mass roundup conducted here in more than one year and authorities are in command of the party. See Page 3, Col. 1

In Manila Yanks Protest Demobilization Being Slowed

MANILA, Jan. 7.—(AP)—At least 12,000 United States soldiers jammed into the shell-battered ruins of the Philippines Hall of Congress tonight for a noisy but orderly mass protest against a demobilization slowdown. They thundered approval of a resolution calling for a congressional investigation.

BOOS RANG THROUGH the hall as soldiers, led by chainman, Gen. W. D. Styer, commanding United States army forces in the Western Pacific, which explained the delay in home bound trips.

Earlier, thousands of milling non-commissioned soldiers had marched to Gen. Styer's headquarters and had sent in a committee of five, which was led by the general that the "changing international situation" prevented sending all eligible men at once.

By the time the chairman called the meeting to order the triangular lot in front of the legislative hall was packed with thousands of soldiers.

THE SPEAKERS exhorted their listeners to write their congressional representatives.

City Woman's Death Is Probed at Calgary

CALGARY, Jan. 7.—(CP)—Mrs. Anne Nyck, operator of a rooming house, was arrested by police detectives on a charge of manslaughter at noon Saturday. The charge was laid in connection with the death at Mrs. Nyck's rooming house Friday evening of Mrs. Lila Kirk, of Edmonton.

A POST MORTEM was conducted Saturday morning but police were unable to reveal the results. Lack of sufficient evidence has been laid, there will be no inquest.

Mrs. Kirk came to Calgary from Edmonton Thursday and took up lodgings in Mrs. Nyck's rooming house. She was found in her room Saturday morning.

A funeral service for Mrs. Kirk, 1944 14 street, will be held from the Andrews-McLaughlin funeral chapel at 3:30 p.m. Tuesday. She is survived by her husband, Robert Kirk, serving with the army in Calgary; one son, Douglas, one daughter, Anne; her father, William McLaughlin of Edmonton; four sisters and three brothers. Burial will take place in Edmonton cemetery.

First Province Ontario Flatly Opposes Dominion's Tax Proposals

TORONTO, Jan. 7.—(CP)—A 12,000-word Ontario government submission which flatly rejects federal proposals for allocation of taxation among dominion and provincial provinces, and suggests creation of a central fund for sharing of provincial wealth will be studied in Ottawa Tuesday by an economic committee comprising ranking dominion and provincial cabinet ministers.

The Ontario stand, made public Sunday night by Premier Drew, marked the first sharp divergence between what the provinces ask and what the federal government proposed the Dominion-Provincial conference last August.

THREE OTHER PROVINCES—British Columbia, Alberta and Manitoba—have submitted formal but less sweeping counter-proposals to the federal suggestion that the provinces forsake income, corporation and death taxes in return for \$12-per-capita subsidies based on 1941 population.

Ontario's submission, which described acceptance of dominion proposals as likely to create a "regressive straitjacket," listed a series of counter-proposals including establishment of a national adjustment fund which would be created by contributions from each province of 10 percent of corporation and personal income tax and succession duties income.

THE FUND, which might reach \$20,000,000 annually, would be distributed on a 50-50 basis.

After January 31st \$90,000 U.S. Club Building May Become City Property

With the American Red Cross terminating club and entertainment activities in Edmonton on Jan. 31, next, the handsome \$90,000 redwood club building on 100 street south of the CPR station may become the property of the city.

NEGOTIATIONS are said to be continuing between the city and the Dominion government for use of the building, which has functioned as a club for service personnel for the past two years.

Although no definite announcement has as yet been made by the city authorities, the city is anxious to secure the building as a recreation centre in line with its expanding activities of the nature.

THE BUILDING was constructed by the U.S. Army engineers, but is the property of the U.S. government and therefore cannot be taken over under the usual disposal regulations covering surplus military property.

At the time it was built American authorities stated it would likely be torn down at the end of the war but now it is decided to sell it outright.

The club of the American Red Cross at the air base will also be closed on Jan. 31, but this club is housed in a regular army building.

THE AMERICAN RED CROSS commenced activities here in the fall of 1942 and the first club room was opened in the national bank building here now with Jack Heffner, club director.

Morrison States Trade Position Of Gt. Britain

MONTREAL, Jan. 7.—(CP)—Herbert Morrison, British Labour President of the Council, said today it was Britain's "earnest intention" to seek to remove all the "unnecessary" and "unjustified" restrictions on all possible causes of misunderstanding and friction arising in Canada from her war-time policy of restricting the import of goods.

IN AN ADDRESS PREPARED for delivery before the Canadian Club here, Mr. Morrison said: "I fear it is inevitable that the policy of restricting the import of goods which we felt could do without—a policy which has been forced upon us by the incalculable effects of our present adverse trading position—should have caused some of our manufacturers to be alarmed about their trade with the United Kingdom and other parts of the sterling area."

"IT IS OUR EARNEST intention to try to reduce to a minimum all possible causes of misunderstanding and friction and to make it clear in view of officials of our Board of Trade have already visited Ottawa and now officials of your department of trade and commerce are coming to us in London, we are making every effort to make free all imports from all sources." Mr. Morrison expressed the hope the discussion would lead to "some working arrangement for the period in which the war will be winding up to the factory to both sides."

HE SAID IT WAS NO secret that the representative of the British government, who was in talks with the Canadian government, had been told that the British government was not prepared to make any concession.

HE ADDED: "It is an additional aspect of our economic relations with Canada that our great anxiety is that our trade is normally in deficit to the United States. She is able to produce a large surplus in earnings from the sterling area, while our trade with the United States is in deficit."

Anglican Church Head Will Visit Canada in Fall

LONDON, Jan. 7.—(CP)—Rev. Geoffrey Francis Fisher, Archbishop of Canterbury, will visit Canada and the United States next September, it was announced last night.

HE HAS ACCEPTED an invitation from the Prime Minister of the Anglican church of Canada to attend a general synod at Winnipeg, Sept. 4 and from the presiding bishop of the Protestant Episcopal church in the United States to attend a general convention at Philadelphia Sept. 8.

(Anglican church sources in Canada said this would be the first time an Archbishop of Canterbury has visited the Dominion. However, there have been visits to Canada by archbishops of York in 1939 and last year).

IT IS EXPECTED that Dr. Fisher, at 58 one of the youngest archbishops of Canada in modern times, will visit other Canadian and United States cities and perhaps Newfoundland. But a Church of England source said a detailed itinerary has not yet been prepared. Dr. Fisher has been at Lambeth Palace, residence of the archbishops of Canterbury, only since last April when he was enthroned as successor to Archbishop Temple who died after three years in office.

IN HIS environment, Dr. Fisher called for "a Christian faith which is not ashamed to be definite, explicit and binding," and exhorted the church and the nation to stand together in the post-war years.

The son of an Anglican rector, Dr. Fisher was ordained while teaching at Marlborough College from 1911 to 1914. He then became head of Repton School at the age of 27. Although he had no parochial experience, he was named Bishop of Chester in 1932 and seven years later became Bishop of London.

Dr. Fisher has six children, four of whom served in the armed forces. It is not known at present whether he will accompany his wife to Canada and the United States.

Won't Rush Laski Into Tight Corner

KELTY, Scotland, Jan. 7.—(CP)—Prof. Harold Laski, chairman of the Labor party executive committee, said last night he was "not prepared to be driven . . . into making a choice between friendship with the United States and friendship with the Soviet Union." Speaking to a small-town Scottish audience, Mr. Laski said: "Our business is to make firm . . . friendship with the Soviet Union. I am not prepared to be driven, as the Conservative party wants to drive the Labor government, into making a choice . . ."

ANGINA PECTORIS

Angina pectoris is sometimes called breast-pang, because of the sharp pain it may cause in the left side of the chest.

Most people believe that the name indicates a disease, whereas it refers only to symptoms. Literally speaking, angina pectoris means a pain in the left side of the chest, generally present over the region of the heart or below the breast bone. The pain may radiate to the shoulder, up the side of the neck to just beneath the back of the ear, or down the inner side of the left arm. The pain itself is sharp and agonizing. The location of the pain may vary from time to time and patient to patient.

The patient with angina pectoris is usually pale. He has a feeling of sudden collapse, which generally makes him stop whatever he is doing.

When the attacks are due to a narrowing of the coronary artery, they will frequently bear a close relationship to activity, the pain being brought on by exercise and being absent when the patient is resting. However, when the pain is the outcome of a condition known as coronary infection, the pain may come on during sleep or when the patient is resting.

I can not impress you too strongly that the pain of angina pectoris is only a symptom as is true of pain in any part of the body, and a thorough examination should be secured in order to find the cause of the pain. A careful search will in the majority of cases, uncover some kind of coronary disease. Examination with the electrocardiograph is desirable.

When the patient has pain of this variety, I find it especially important to caution him against overindulgence of the stomach either by too much food or by an accumulation of gas. Small meals should be used rather than large ones, and all especially gas-forming foods should be avoided with great care.

Emotional disturbance brought on by quarrels, disagreements and excitement may be sufficient to induce another attack.

I do not believe the patient with angina pectoris should attempt to treat himself and it is advisable that he remain under the care of a doctor. By adhering carefully to the instructions of the physician in charge, it is often possible for the patient to add several years to his life. A careful diet, the observance of intestinal cleanliness and following an exercising program fitted to his needs are of benefit.

Brazil Restricts Passage at Border

MONTEVIDEO, Jan. 7.—(Reuters)—The Brazilian government Saturday ordered closing down of Uruguayan port, Brazil, on the Argentine frontier, halting all traffic between the two countries at that point. It was learned that incidents had broken out during the day at Paso de Los Libres, Argentine town across the Uruguay river from Uruguayan, but no details were available. Brazil's only rail link with Argentina is at Uruguayan.

Canadian Minister Flies to Britain

LONDON, Jan. 7.—(Reuters)—Air Minister Gibson of Canada arrived at Northolt airbase near here yesterday from the dominion to inspect RCAF units overseas. He said he also expected to talk with officers and men of the RCAF occupation force in Germany. Mr. Gibson flew in the RCAF Liberator normally used by Prime Minister Mackenzie King.

Chisholm vs. Minister Indonesian War Slows Debate on Next Crisis

By JACK GRAY

TORONTO, Jan. 7.—(CP)—A lively discussion on "preventing World War III" almost foundered on the Indonesian question last night as Maj.-Gen. Brook Chisholm, Canada's deputy minister of public health, and Rev. Gordon A. Sisco, general secretary of the United Church of Canada, debated at a largely-attended church forum.

DR. SISCO's main address was devoted to answering Gen. Chisholm's much-discussed Washington speech of Oct. 23 in which the psychiatrist questioned what he said were man's outdated conceptions of morality. Dr. Sisco said last night that Gen. Chisholm was "setting up straw men and knocking them down."

Gen. Chisholm replied in part that soldiers had broken down in battle because their actions in war forced them to disobey the rigidly-quoted biblical precept of "Thou shalt not kill." If every soldier broke down for this reason "we would now be under the control of the Germans and the Japs."

"IN CERTAIN circumstances," he said, "it is good to kill . . . Dr. Sisco: 'Isn't war itself a breakdown of morality in yourself and others?'"

Gen. Chisholm: "It has become a normal state." DR. SISCO: "We have to create confidence between nations. The moral standards of individuals make up the moral standard of a

country. Moral standards are needed to build up international law."

Gen. Chisholm: "I don't agree I say we say: 'Shoot down anyone who doesn't keep the peace.'"

Dr. Sisco: "Would you shoot down the Indonesians just because they want freedom?"

Gen. Chisholm: "I haven't enough information to answer that question."

3 Ducks Stays 3-2, Forcing Triple Tie

by Hal Dean

WHILE the 3-2 loss sustained by Flyers on Saturday may be a trifle disappointing to Edmonton supporters, it was probably the break for the senior circuit itself and probably taken on near-miraculous aspects from the viewpoint of the Saskatoon front office.

That three-in-a-row of the Flyers, two of the victories being at the expense of the then leading team, must be a record for the men from the skins for the sponsors of the ECHL.

IN ANY EVENT, Saskatoon's special advertising campaign, coinciding with Edmonton's sudden drop to the top, certainly produced results, for Saturday night's crowd of 4,100 was tops for the season in the Saskatchewan city.

And starting in Saskatoon tomorrow, which game should be another sellout, Calgary will have to go through their in four days, two of the seasons being with Elks. Flyers, having picked up six points out of a possible eight during a five-day stretch, now can coast along until Saturday, Don Stanley's injury, however, is a pleasant prospect for the Riley Mullins squad.

BOB SCOTT, president of the Saskatoon City Basketball Association, views there is not likely to be a senior entry from the south of the province in the playoffs. He said that the Calgary Wildcatters, desiring in the interim of the playoffs, will not enter the playoffs. Walk-rites of Edmonton are content for intermediate Alberta teams and Montreal will not enter Edmonton in the senior season ending at Interregional. Hawks Blank Leafs Wings Net Three in First To Open Back Chicago 3-2

DETROIT, Jan. 7.—(AP)—Detroit Red Wings scored three times in the first period Sunday and hung on to beat the Chicago Black Hawks, 3-2, in a National Hockey League game that delighted a crowd of 14,222 fans. The loss left Chicago tied with Montreal for the league lead. The Detroit victory was its third straight win in its meetings with the Hawks in the last four games since Dec. 28.

Chicago's last-period duplicate goal by Sid Howe and Ed Brindley, which netted the Wings a 3-2 lead in the second period, was the only goal in the game. Net Minding Feature Of Fast Game

SASKATOON, Jan. 7.—Saskatoon Elks maintained their undefeated record on home ice and moved into a first place tie with Calgary and Edmonton in the Western Canada Senior Hockey League standings with a 3-2 victory over Edmonton Flyers before 4,100 fans at the Arena here Saturday night.

Coming from behind a 2-1 deficit at the end of the first period, Elks equalized the score in the second half of the third.

GOAL BUTTERY Ken Ullson and Keith Allen were the marksmen for Elks while Johnny Kennedy and Jack MacDonald scored for Edmonton.

It was a fast, close checking game throughout with the work of the rivalry goals, Ken Ullson and Jack MacDonald, the brightest feature. Time after time they came to the rescue of their clubs with brilliant saves on close-range shots.

FLYERS MOVED into the lead early in the game when Don Stanley scored the first goal. Elks tied the score some five minutes later as Buttery converted a goal on a rebound from a scramble into a goal. Flyers pressed the attack and scored a goal in the second period.

McLean Jumps 159 Ft. 5,000 Ski Fans Thrilled At Conner's Hill Exhibitions

An estimated crowd of 5,000 ski enthusiasts turned out at Conner's Hill Sunday afternoon and received a big thrill at the Edmonton Ski Club's annual exhibitions.

"Taking off from the big scaffolding was the feature attraction for the large crowd, which saw 17 men come roaring down the slide, jump, control their balance and—some completing the trick perfectly, and others giving the fans some added excitement with the odd spillover.

Groves Leads Scoring Canadians Pile Up 1-1 Count Against Maple Leaf Juniors

Well over a thousand fans watched Canadian amateurs administer a 1-1 trouncing to the Maple Leafs in a City Junior Hockey League game at the arena on Saturday night. It was the first turnover for the winners since Dec. 18 and the seventh straight win for the league leaders.

The Leafs who had not played a scheduled game since Dec. 20, showed considerable improvement in passing as compared to their work against Lethbridge the previous Saturday. Canadians were without regulars Cy Loran, John Rypke, and Jimmy King, who was an absentee from the team.

HARRY GROVES topped the scoring with three goals. Bill Black, Bill Gadsby and Leo Lucchini scored two each and Eddie Thomas and Don Slater singled. Black and Don Slater singled. Black and Don Slater singled.

700,000 Soccer Fans Attend 3-2 British Games

LONDON, Jan. 7.—(CP)—Highlighted by 3-2 football association third round cup tie games Saturday British football attracted 700,000 spectators who saw exciting games score the majority of victories.

Surprise of the day was awarded by West Ham, which swamped Arsenal 6-0 before 30,000 fans, many of whom broke the ground's bomb-damaged home grounds after the main game had been shut.

IN THE SCOTTISH LEAGUE "A" Glasgow Rangers scored their 10th straight win with a 4-0 decision over Clyde. All Scottish games were regular league fixtures.

The team which will meet Belgium in international soccer competition in Glasgow, Jan. 23 will be named Wednesday, football officials said.

Charlton Athletic, leaders of the League South, scored a 3-1 victory over Fulham in the cup tie and the other on Clint.

The CUP competition is the first since the outbreak of hostilities and Glasgow's scores will be carried over to the next season.

The ROAD AHEAD

By Capt. HARPER PROWSE, M.L.A.

THE announcement that the new sterling silver discharge button is now ready for distribution and will replace the original one with the red enamel maple leaves on it is not causing any great sensation among the ranks of the returned men. Most readers will remember the many protests which were voiced about the original button when it first came to public prominence early last year.

I Saw Today

THE ONLY difference between the new button and the first one is that what used to appear as red and blue enamel on the button now appears as black lines in the silver. The design and the wording on it are the same.

There were many criticisms of the first button, and officials' unwilling attitude to disregard criticism, so matter how spirited it may be, was never shown more clearly than in the way they weathered the storm of protests which arose when the button was first handed out.

Biggest objection to the button came from overseas men. In the first place the badge was a copy of the shoulder flash worn in Canada by the "home defence" troops here. To men who had borne the battle, many of them carrying scars to prove it, this was insult added to injury.

THEY WERE ANNOYED enough by the service policy which sent some men to the front line of fighting, and at the same time permitted others, wearing the same kind of uniforms except that the home defence boys got ties and caps, to be left behind.

New Commander Takes Charge HMCS Nonsuch

Four years of sea time with fighting ships of the Royal Canadian Navy, including time as commanding officer of HMCS Nonsuch, is the imposing record of Lt. J. Ross Stewart, M.D., now commanding officer of HMCS Nonsuch, who takes over at the Edmonton naval establishment from Lt. Cmdr. W. C. L. Webster, who is retiring shortly from the navy.

LT. STEWART, whose home is at Victoria in December of 1940, after being commissioned he served 22 months on HMCS Regina, Canadian corvette, later torpedoed while in action in the English Channel.

He next went to HMCS Ontario for 18 months.

Although quite young, Lt. Stewart had the honor of successfully commanding the Canadian frigates, HMCS St. Thomas and Eastview.

He was mentioned in dispatches for his fine work on these vessels. The new CO is unmarried.

LT. CMDR. WEBSTER, who has headed the Nonsuch establishment for about a year, is leaving Thursday for Victoria with his wife and family. He will take two months' furlough before leaving the navy to return to a post with the civil service in the B.C. capital he believes he will be relieving.

Edmonton Regiment Veterans Gather in Annual Reunion

Former members of the 49th Battalion and The Loyall Edmonton Regiment are depicted above at the annual dinner of the 49th Battalion Regiment held in the Macdonald Hotel on Saturday night. In the upper picture above, Pipe Major Thompson is shown flanked on the left by C. B. Matheson and on the right by Byron Morrison. The second picture shows three of the returned men from the Loyall. They are G. J. Armstrong, G. A. L. Warner, James Wilson.

Estimate 2,600 Men Registered Here For Jobs

It is estimated by officials of the local offices of the Employment Service of Canada that there are about 2,600 men registered for work in Edmonton, and approximately 400 women.

EMPLOYERS ARE ASKING for a total of 1,191 men and 419 women. W. G. Peterson, assistant manager of the local office, said. Most of the men requested are needed for bush work, while the women are required for domestic service and for jobs in restaurants.

Of the unemployed men registered, 742 are receiving No. 1 benefits under the terms of the rehabilitation plan of the federal government. J. W. Proctor, district administrator, department of veterans' affairs, said Monday.

The total of veterans showed a sharp rise during the last week. It was stated, when 212 additional veterans asked for the assistance to which their service entitles them.

PLANS ARE ALREADY AFOOT, Mr. Proctor said, to increase accommodations at the vocational training centre here so that at least 200 of the returned men, who are now on No. 1 benefit, will be given training during the time they are unemployed.

"When it is realized that nearly 15,000 men have been released from the services in this part of Alberta already, and that only 742 of them need the unemployment benefit right in the dead of winter, the situation doesn't look bad," Mr. Proctor said.

SURVEYS CONDUCTED by officials of the veterans' department have indicated that few veterans will be forced to remain on the unemployment list when work opens up in the spring, the district administrator claimed.

Annual Reunion Wets of Two Wars Gather At Banquet of 'Forty-Niners'

Every year since shortly after the close of the war of 1914-1918, Edmonton has witnessed a dinner at which the city's fighting infantry unit called all its sons together under the aegis of the 49th Battalion Association for an evening of reminiscences and renewal of friendships formed and strengthened on many a distant battlefield.

THIS YEAR'S BANQUET was held in the Macdonald hotel on Saturday night, and this, the first peace-time banquet since January 1939, was attended by men who had served with the 49th Battalion in the First Great War and with The Loyall Edmonton Regiment in the second.

For the first time since the association was formed the session was presided over by someone other than Maj.-Gen. W. A. Grensback, C.B., C.M.G., D.S.O., who had mobilized the 49th Battalion in January, 1915 and who had led it into its first battles and had formed the association bearing the regiment's name.

Maj.-Gen. Grensback died Jan. 21, 1944, just two weeks after last year's dinner. He was succeeded in the presidency of the association by R. C. Arthur, who served as chairman at the Saturday night get-together.

With him at the head table were J. Blissett, J. Craig, E. B. Wilson, one in command of the unit, now retired; Lt.-Col. G. D. K. Kinard, 82d officer commanding of the 2nd (B) Battalion, Loyall Edmonton Regiment; Dr. J. K. Hamilton, who had gone overseas with the Loyals as medical officer in 1939; Philip Debye, formerly a commanding officer of the Edmonton Regiment reserve unit; A. C. Jefferson, who commanded the regiment in action in Sicily and in Italy; Major Harry Ainlay, the Rev. E. T. Scraggs, chaplain to the association; R. E. Tanner, president of the Edmonton branch of the Canadian Legion; E. W. Day, who also once commanded the regiment in Italy and A. J. Hudson, association secretary.

BEFORE THE DINNER the band of the 2nd (B) Battalion, The Loyall Edmonton Regiment, played martial airs, the lobby of the hotel group of the musicians from that band also entertained during the serving of the meal. They were led by Bandmaster Ted Lindsay, Pipe Major "Al" Thompson, played "Bonnie Dundee" as the doors were thrown open. He also appeared on the platform after the dinner to play Highland numbers.

SONO LEADER Jack Jones presided over the spirited community singing. Among the numbers in which the returned men sang were "The Canadian Grenadier Guards" and "The March of the 'Forty-Niners'." The latter song, which had become regional songs in this war, as well as those old favorites of the last war.

Two minutes' silence in memory of those who had fallen in the war. Continued on Page Sixteen

Noted Archbishop Coming to Canada

The Archbishop of Canterbury will spend two days in Canada when he visits Winnipeg to preach the sermon at the tri-annual meeting of the General Synod of the Church of England in Canada, Monday, Jan. 14.

He will be accompanied by the Archbishop of Toronto, and Primate of All Canada, the Rev. Dr. C. H. H. Howard, who will be in the city on Sunday, Jan. 13.

HE SAID "I am very glad that the Archbishop of Canterbury is coming to Canada and added that this is the second visit made to the city by the Archbishop of Canterbury. He recalled that in 1907 the then Archbishop of Canterbury, His Grace Randall Davidson made a visit to the Dominion.

The Archbishop will fly from Britain to New York, and will then fly to Winnipeg to attend the tri-annual meeting of the Anglican church, and will later fly to Philadelphia where he will attend the general convention of the Protestant Episcopal church of the United States.

Noted Musician On Caronation Contended Hour

The start of 1946 is more than just a new year for Percy Faith, the conductor-composer-arranger. It also means a new home, a new orchestra, and a new year of caronation, for on Jan. 7, Faith will conduct the "Caronation Contended Hour" orchestra for the program's first broadcast in its new home. Faith will continue to guide the program, which will feature popular music and guest stars weekly, and he also will continue to do his own musical arrangements for the broadcasts.

Faith was born in Toronto. He surprised his non-musical family by drumming out rhythms on the family crockery at the age of six. To the Faith family, music and violin were synonymous. Then he became a member of a small musical group and, in 1937, when he was 19, he was signed as a soloist, arranger and pianist with the Canadian Broadcasting Corporation.

His FIRST PROGRAM as permanent conductor of the "Caronation Contended Hour" will be broadcast on September 1940. During the previous summer he had been conducting three times following the death of Joseph Pasternak.

He was born on April 7, 1908. He is a hockey and skiing enthusiast, a collector of first editions, and his favorite detestation is a musical snob.

"Search for Talent" Contest Results in This Smart American Chambray Frock

Being Winner of First Prize
Designed by an Edmontonian, Miss Marjorie Carter

A few weeks ago many outstanding Canadian designers introduced a plan to encourage Canadian artists in the art of designing dresses. The results were very gratifying and we are proud to wear the opportunities of presenting a lovely frock of American Cotton Chambray, styled by Miss Marjorie Carter of Edmonton, who, several years ago, was associated with Johnstone Walker's Advertising Department.

This beautiful frock is exactly as sketched, fashioned from a worn stripe chambray in white and tan and white. It features a leather horseshoe motif and belt as a contrasting trim. Sizes 11 to 17. Priced at

Who's Who in Edmon-Teens Americans Hold Farewell Tea

More than 300 Edmonton girls who have acted as hostesses at the American Red Cross club during the past two years, were guests at a farewell tea held in their honor, in the main lounge of the club, Saturday afternoon.

Lighted candles cast a glow over the spacious lounge and the tea table was set with a white linen cloth. Varicolored American pennants formed the centerpiece, flanked by tall yellow tapers in silver holders. Presiding at the tea were Miss Mary Maxwell and Mrs. Silvestre Yachnick. Helping in serving were Miss Mary Kate Peterson, Mrs. Betty Hanson and Miss Jean Morgan, all American Red Cross members of the club.

TWO TEA-CUP readers were in attendance and an added feature was the cutting of an anniversary cake.

Jack Heifner, club director, spoke briefly, thanking the girls on behalf of the staff, for their ready cooperation, without which he stated, the operation of the club could not have been carried on. In the near future, certificates will be sent to each girl who has put in 50 or more hours of work. These certificates, Mr. Heifner said, were a small gesture of their appreciation to the hostesses.

"ALTHOUGH the club terminates its activities Jan. 31, we will not forget those who have taken part in its life," Mr. Heifner said. "The girls who have acted as hostesses are a credit to the club and to the American Red Cross. They have helped to make the club a place where girls can find a home, and where they can learn to be good citizens." The afternoon was concluded with an amusing skit, put on by three "Gals" and Mr. Heifner. The girls depicted a familiar scene to the hostesses.
